Sir:

**PETITION TO ACCORD CORRESPONDENCE FILING DATE SHOWN ON
EXPRESS MAIL LABEL "DATE-IN"
(37 C.F.R. § 1.10(c))**

This is a Petition to accord the correspondence in the above-identified patent application the "date in" of March 23, 2001 as was indicated on the Express Mail label No. EJ229640116US. It is respectfully contended that the date of April 4, 2000 accorded this correspondence by the PTO is incorrect. Listed below are the statements of fact as to facts supporting when the discrepancy was discovered, that the error was the fault of the PTO, and establishing that this petition is being filed promptly thereafter. 37 CFR § 1.10 (c) (1):

1. On March 23, 2001, our Patent Administrator, Ms. Gannon filed by Express Mail No. EJ229640116US the above-identified patent application. (See Exhibit A)
2. On May 2, 2001, Ms. Gannon called the USPTO Information Number requesting status on the above-mentioned application and was informed that the application was not on the system yet, but the fees for the application had

Attorney Docket No. 24555-001

been taken out of the Deposit Account. The delay was explained as possibly due to training the new contractors.

3. On May 7, 2001, Donna Green, supervisor for PCT left a voice mail message to Ms. Gannon requesting copy of the postcard and transmittal form. A true copy of the postcard and transmittal were faxed to Ms. Green. (See Exhibit B)
4. On May 15, 2001, Ms. Green informed Ms. Gannon that the PTO was unable to find the application and to fax a copy of the missing application to her attention. Ms. Green further informed Ms. Gannon that she was going to cancel out the first application number 09/806,021 and issue a new application number. On May 15, 2001 a true copy of the above subject application was faxed to Ms. Green's attention. (See Exhibit C)
5. On May 16, 2001 a Notice of Cancellation of Assigned Serial Number was issued from the PTO. (See Exhibit D).
6. On August 1, 2001 a Notification of Acceptance was issued in the subject application with an incorrect Date of Receipt of April 4, 2000 and an incorrect Date of Receipt for "all 35 U.S.C. 371 Requirements of April 4, 2000." Subsequent to this the Official Filing Receipt was accorded the incorrect filing date of April 4, 2000. (See Exhibits E and F).

Therefore, Applicants respectfully request that the subject application be accorded the filing date of March 23, 2001.

Since the errors appear to be on the part of the United States Patent Office, no petition fee should be required. Should the PTO determine that Applicants are at fault the Commissioner is hereby authorized to charge the Petition Fee in the amount of \$130.00 to Deposit Account No. 501447. The Commissioner is also authorized to charge any

Attorney Docket No. 24555-001

additional fees required by this paper or credit any overpayment to the Deposit Account
No. 501447.

Respectfully submitted,

**LICENSE FOR FOREIGN FILING UNDER
Title 35, United States Code, Section 184
Title 37, Code of Federal Regulations, 5.11 & 5.15**

GRANTED

The applicant has been granted a license under 35 U.S.C. 184, if the phrase "IF REQUIRED, FOREIGN FILING LICENSE GRANTED" followed by a date appears on this form. Such licenses are issued in all applications where the conditions for issuance of a license have been met, regardless of whether or not a license may be required as set forth in 37 CFR 5.15. The scope and limitations of this license are set forth in 37 CFR 5.15(a) unless an earlier license has been issued under 37 CFR 5.15(b). The license is subject to revocation upon written notification. The date indicated is the effective date of the license, unless an earlier license of similar scope has been granted under 37 CFR 5.13 or 5.14.

This license is to be retained by the licensee and may be used at any time on or after the effective date thereof unless it is revoked. This license is automatically transferred to any related applications(s) filed under 37 CFR 1.53(d). This license is not retroactive.

The grant of a license does not in any way lessen the responsibility of a licensee for the security of the subject matter as imposed by any Government contract or the provisions of existing laws relating to espionage and the national security or the export of technical data. Licensees should apprise themselves of current regulations especially with respect to certain countries, of other agencies, particularly the Office of Defense Trade Controls, Department of State (with respect to Arms, Munitions and Implements of War (22 CFR 121-128)); the Office of Export Administration, Department of Commerce (15 CFR 370.10 (j)); the Office of Foreign Assets Control, Department of Treasury (31 CFR Parts 500+) and the Department of Energy.

NOT GRANTED

No license under 35 U.S.C. 184 has been granted at this time, if the phrase "IF REQUIRED, FOREIGN FILING LICENSE GRANTED" DOES NOT appear on this form. Applicant may still petition for a license under 37 CFR 5.12, if a license is desired before the expiration of 6 months from the filing date of the application. If 6 months has lapsed from the filing date of this application and the licensee has not received any indication of a secrecy order under 35 U.S.C. 181, the licensee may foreign file the application pursuant to 37 CFR 5.15 (b).

PLEASE NOTE the following information about the Filing Receipt:

- The articles such as "a," "an" and "the" are not included as the first words in the title of an application. They are considered to be unnecessary to the understanding of the title.
- The words "new," "improved," "improvements in" or "relating to" are not included as first words in the title of an application because a patent application, by nature, is a new idea or improvement.
- The title may be truncated if it consists of more than 500 characters (letters and spaces combined).
- The docket number allows a maximum of 25 characters.
- If your application was submitted under 37 CFR 1.10, your filing date should be the "date in" found on the Express Mail label. If there is a discrepancy, you should submit a request for a corrected Filing Receipt along with a copy of the Express Mail label showing the "date in."
- The title is recorded in sentence case.

Any corrections that may need to be done to your Filing Receipt should be directed to:
